RE: Pit Number One, Permit No. M-2000-099, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-01

Dear Ms. Ponce and Mr. Giroux

On July 8, 2025 the Division of Reclamation, Mining and Safety received the requested documentation the for Transfer of Mineral Permit and Succession of Operators (SO) from Marilyn E. Diamond, Bruce A Diamond to BV Mining, LLC for the Pit Number One, Permit No. M-2000-099. Review of the received documentation revealed the following items still need addressed before the application can be considered complete for the purposes of filing:

1. SO Application page 9: the year wasn't listed on the Signed, Sealed, and Dated blank. This invalidates the notary. Please resubmit pages 9 and 10 on behalf of BV Mining, LLC. The counterpart signatures are acceptable, so only a replacement page 9 and 10 signed and notarized for BV Mining, LLC are required.

Please mail all original documents, no photocopies are accepted, attention to Sara Stevenson-Benn to:

Standard USPS:

1313 Sherman St., Ste. 215
Denver, CO 80203

Address for FedEx, UPS, certified mail, or hand delivery:

DRMS c/o Sara Stevenson-Benn

Please return the required documentation to the Division **before Friday September 19, 2025**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact me at the Division's Grand Junction Field Office, by phone at 303-919-2997 or by email at lucas.west@state.co.us.
