Re: Coyote Basin Project, File No. P-2025-011, Response to Notice of Deficiency No. 1

Dear Hunter:

Thank you for sending the Division's Deficiency Notice No. 1, dated July 16, 2025. Below are our responses to your comments.

- 1. The application package submitted to the Division appears to contain three separate NOI application forms. All three material packets have been submitted on the Form 2 application. No Form 1 applications have been included as required. The Form 2 application will be provided online to the public file, whereas Form 1 is marked confidential and is not made available to the public. Please clarify for the Division which of the Form 2 applications is the full and finalized application. Please also submit a copy of the application on the correct Form 1 application pages or state in writing there is no information intended to be confidential and Forms 1 and 2 are identical. This will allow the Division to properly separate confidential application information from non-confidential application information within the public file.**

Nothing in the NOI has been designated as confidential. The submission consists of one signed and completed NOI Non-Confidential Form (Form 2), along with one hard copy and one electronic copy. Because no information is confidential, Form 1 was not included consistent with the Division's filing instructions on the top of its NOI form.

Enclosed is a hard copy of an updated Form 2 in which the Prospector has been changed from Homeland Uranium to Shift Exploration Inc. No other changes have been made to previously filed Form 2. Please place this updated version into the file for this matter.

- 2. The applicant must submit Right-of-Entry documentation for the proposed disturbance areas prior to final approval. Please commit to providing the Division with documentation of the BLM's approved 'NOI' or 'Plan of Operation' when available.**

We agree to provide the Division with a copy of the BLM-approved NOI once available.

Also, enclosed are the Serial Register Pages (SRPs) for the lode claims on which the prospecting activities discussed in the NOI will occur. As depicted on the SRPs, Shift Exploration Inc. holds title to the subject mining claims. Mining claim holders are entitled to access the public lands on which their claims are located for the purpose of conducting mining and mineral exploration activities. 30 U.S.C. § 26. As discussed in the NOI, the prospecting activities will occur exclusively on Shift's mining claims.

- 3. Signed and notarized exhibits of the two documents attached below must be submitted to the Division for the initial \$4,000.00 financial warranty to be accepted.**

Enclosed are the executed (i) Affidavit of Authority to Execute Financial Warranty Documents and (ii) One Site Prospecting Financial Warranty – Check for Deposit in State Treasury forms.

- 4. In order for the Division to be able to accept the initial financial warranty check, the permittee, Homeland Uranium, Inc., must be in good standing status with the Secretary of State. Currently, Homeland Uranium, Inc. is shown to be in 'delinquent' status.**

As discussed above, we have changed the Prospector from Homeland Uranium to Shift Exploration Inc. Homeland Uranium's initial NOI identified Homeland Uranium, Inc., a Utah corporation, as the operator. Homeland Uranium Corp., the correct entity, is unaffiliated with Homeland Uranium Inc. Shift Exploration is a wholly-owned subsidiary of Homeland Uranium Corp. and is registered do business in Colorado.

Please let me know if you have any questions regarding this letter or its enclosures.

Sincerely,

Nancy Normore  
Vice President, Exploration

## **Documentation of Legal Authority to Execute Financial Warranty Documents**

*The Colorado Mined Land Reclamation Board (“Board”) has adopted the attached Affidavit of Authority to Execute Financial Warranty Documents pursuant to the Mined Land Reclamation Act (C.R.S. § 34-32-101 et. seq.) and the Land Reclamation Act for the Extraction of Construction Materials (C.R.S. § 34-32.5-101 et. seq.). The Board and the Division of Reclamation Mining and Safety (“Division”) have determined that, in order to carry out the financial warranty requirements set forth in C.R.S. §§ 34-32-117 and 34-32.5-117 with reasonable diligence, it is prudent to verify the legal authority of the individual signing all necessary documents.*

*Accordingly, you must provide confirmation of the legal authority of the individual signing all Financial Warranty Documents to the Division. You may do so either by submitting a resolution of the decision-making body of your company that authorizes an individual to sign the Financial Warranty Documents on the company’s behalf, or by completing and notarizing the attached affidavit. The Division reserves the right to require the attached affidavit in all circumstances. Please note that if you are a sole proprietor who is executing documents on your own behalf, documentation of legal authority is unnecessary.*

**Affidavit of Authority to Execute Financial Warranty Documents**

Before me this day, the undersigned Nancy Normore [name of authorized person], in his/her capacity as Vice President, Exploration [title of authorized person] ("Affiant"), personally appeared and, being first duly sworn upon oath said:

2. It is in the interest of the Company to execute certain financial warranty documents associated with file number P-2025-011 (DRMS file number), which are required by the Colorado Mined Land Reclamation Board and Division of Reclamation Mining and Safety pursuant to Colorado law ("Financial Warranty Documents").
3. Affiant is duly authorized to sign such Financial Warranty Documents on behalf of the Company and to bind the Company to the same.
4. Affiant is not prohibited or limited by the Company's governing documents or by any applicable law from executing the Financial Warranty Documents.
5. Affiant will inform the Division of Reclamation Mining and Safety within thirty (30) days in the event that his/her authorization to execute Financial Warranty Documents on the Company's behalf is terminated.

### ONE SITE PROSPECTING FINANCIAL WARRANTY

Prospecting Financial Warranty No. \_\_\_\_\_

Notice of Intent No. P-2025-011

*This form has been approved by the Mined Land Reclamation Board ("Board") pursuant to section 34-32-117, C.R.S., of the Colorado Land Reclamation Act. Any alteration or modification of this form, without approval by the Board shall result in the financial warranty being invalid and result in the voiding of any permit issued in conjunction with such invalid financial warranty, and subject the Prospector to cease and desist orders and civil penalties for prospecting without a permit pursuant to section 34-32-123, C.R.S., of the Colorado Land Reclamation Act.*

KNOW ALL MEN BY THESE PRESENTS, That we (I), Nancy Normore of Shift Exploration, Inc.,  
of the County of San Francisco, in the State of California as  
Principal(s) are (am) held hereby and firmly bound unto the State of Colorado, acting through the Mined Land  
Reclamation Board in the sum of four thousand Dollars (\$ 4,000.00) for the  
payment of which sum, well and truly to be made, we (I) hereby bind ourself(s), and each of our (my) legal  
representatives, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has filed Notices of Intent to Conduct Prospecting Operations with the Board on the  
premises indicated on the Notices of Intent filed with the Board which are attached hereto and thereby incorporated by  
reference, to wit:

Sections 8, 9, 15, 21, 22, and 27, Township 3 North, Range 97 West, of the Sixth Principal  
Meridian.

NOW, THEREFORE, the conditions of this obligation are such that if the above-bounded Principal shall, in  
conducting such prospecting operations, faithfully perform the provisions of the Notices of Intent to Conduct  
Prospecting operations filed or to be filed with the Board and the requirements of the plan to implement reclamation  
measures to reclaim all of the lands affected throughout the State by such prospecting operations, approved and  
modified by the Colorado Land Reclamation Act as amended, and the Rules and Regulations adopted pursuant  
thereto; upon the Board making the finding that all of the lands described in the Notices of Intent to Conduct  
Prospecting Operations filed or to be filed with the Board which are attached hereto and hereby incorporated by  
reference have been satisfactorily reclaimed and approving the Prospector's request for a financial warranty release on  
such lands, then this obligation shall be exonerated and discharged and become null and void; otherwise to remain in  
full force and effect.

PROVIDED, however, the Warrantor shall not be liable under this financial warranty for an amount greater in the aggregate than the sum designated in the first paragraph hereof, unless increased by a later amendment, and shall not be liable as respects any obligation related to prospecting and reclamation operations performed after the effective date of a cancellation of this financial warranty pursuant to the terms of Section 34-32-117(5), as amended. This financial warranty shall remain in force and effect as respects all obligations for all prospecting and reclamation operations performed prior to the effective date of such cancellation unless the Principal files a substitute bond which: 1) assumes liability for all obligations for all prospecting and reclamation operations performed during the effective dates of this financial warranty ; and 2) is acceptable to the Board; or unless the Board otherwise releases this financial warranty.

The Warrantor reserves the right to cancel this financial warranty, effective only upon an anniversary date, and only by giving written notice to that effect, mailed by Certified Mail, at least ninety (90) days prior to such anniversary date, addressed to both the Prospector at its address herein stated, and to the Board at the address herein stated. In the event of such cancellation, this financial warranty shall nevertheless remain in full force and effect as respects the reclamation of all areas disturbed prior to the effective date of such cancellation, unless and until the Prospector shall file a substitute financial warranty which: (1) assumes liability for all reclamation obligations which shall have arisen at any time while this financial warranty is in force; and (2) is accepted in writing by the Board.

Signed, sealed, and dated this 22nd day of July, 2025.
