Notice of Intent to Conduct Mineral Prospecting

Dear Nancy Normore:

The Division of Reclamation, Mining and Safety received your Notice of Intent to Conduct Mineral Prospecting (NOI). Our initial review indicates that, as of July 24, 2025, you have satisfied the minimum requirements of the Act and the Rules to begin the review process.

Pursuant to Rule 5.1.3(a) of the Hard Rock/Metal Mining Rules and Regulations, the Division will conduct an in depth review of your notice. You will receive notice of any deficiencies or requests for additional information from the Division within twenty (20) working days, on or before August 21, 2025. The Division will also notify you, within twenty days, if the review indicates the proposed operations are considered to be mining, rather than exploration or prospecting.

Please note that you must file this notice with the US Bureau of Land Management office noted below, and that the twenty day review period commences when the division has determined that the BLM office has received the NOI materials.

A Financial Warranty has been received in the amount of (\$4,000.00) and is currently under review by the division.

If you have any questions, please contact me by telephone at (720) 868-7757, or by email at Hunter.ridley@state.co.us.
