RE: Burton Pit, Permit M-1987-013, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-01

Dear Ms. Schreiber:

On July 22, 2025 the Division of Reclamation, Mining and Safety received the revised Application Form for Transfer of Mineral Permit and Succession of Operators from Southway Construction Company, Inc to Rio Grande Canal Water Users' Association for the Burton Pit, Permit M-1987-013. The following items are incomplete for the application to be processed:

1. An original Affidavit of Authority signed by Jay Yeager.

Please return the required documentation to the Division **before September 8, 2025**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,
