Dear Amber Gibson:

Thank you for the heads up on the inspection report deficiencies. I do understand your evaluation and agree with the problems you found. However, I let this matter slip by and have waited until I received the certified letter from you to address these issues.

I have ordered a new sign to install at the entrance to the quarry and will replace the property markers in the next week or so. The sign should be here in a couple of weeks.

I am requesting an extension of 30 days, until 9/1/2025 to resolve this matter. I am confident that this is ample time to resolve this matter.

Thank You

Dale Yocam
