Dear Amber Gibson:

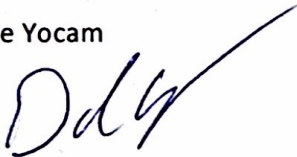

Thank you for the heads up on the updated reclamation bond requirements. I do understand the increase in your evaluation and agree that it needs to be increased. However, I let this matter slip by and have waited until I received the certified letter from you to contact my bank to get a new letter of credit.

I sent a request for a new Letter of Credit to Tracy Pepper (my loan officer) on 7/20/2025 and followed up with a phone call on 7/24/2025. Tracy said there would be no problem in increasing the amount, but it would need to be approved at the bank board meeting.

I am requesting an extension of 30 days, until 9/1/2025 to resolve this matter. I am confident that this is ample time to resolve this matter.

Thank You

Dale Yocam
