Hi Robin,

Attached is the adequacy response for Yeast TR54. To allow you time to review and process the submittal please extend the decision date to July 25, 2025 or suggest a date that works for you if that time frame is too tight.

Thanks

Miranda Kawcak, PE

Subject: Preliminary ADQ Yeast TR54

Good Morning Miranda,

Please find preliminary adequacy questions for the above mentioned permitting action. DRMS requires additional information regarding the application request.
