*RE: Bernhardt Sand and Gravel Pit, File No. M-2023-025,
Decision Date Extension Request for Technical Revision No. 1*

Dear Ms. Gagnon,

W.W. Clyde & Co. has received the adequacy review response for Technical Revision No. 1 dated August 5, 2025.

We will update the information on the data table as well as getting another quarterly sample at all of the monitor wells and submit back to you as soon as we can.

To provide time for gathering samples and lab testing we would request to extend the decision date to October 5, 2025.

Sincerely,

A handwritten signature in blue ink that reads 'J.C. York'.
