RE: Picket Corral, File No. P-2025-012, Request for Financial Warranty Concurrence

Dear Mr. Czapla:

On July 30, 2025, the Bureau of Land Management (BLM) Tres Rios Field Office (TRFO) received your letter with the subject *Picket Corral, File No. P-2025-012, Request for Financial Warranty Concurrence* regarding reclamation costs to ensure reclamation of affected federal lands for the Picket Corral Exploration Project notice (COCO106740515). The BLM TRFO has reviewed the reclamation cost estimate and determined that the required financial guarantee of \$2,000 is sufficient to cover the cost to government to reclaim disturbance that would be caused by implementation of the notice level drilling proposed.

This letter provides surface owner concurrence from the BLM to the Colorado Division of Reclamation, Mining, and Safety (DRMS). If you have any questions, please contact Bridget Wade, TRFO Geologist, at 970-385-1342 or [bcwade@blm.gov](mailto:bcwade@blm.gov).

Sincerely,

Derek Padilla  
Field Manager
