RE: Request for Extension of Decision Date for 112 Permit Amendment Application
SITE: Fort Lupton Sand and Gravel, DRMS Permit # M-1999-120

Dear Ms. Gagnon:

The applicant, L.G. Everist, Inc., requests to extend the decision date of the 112 Permit Amendment Application for Fort Lupton Sand and Gravel, DRMS Permit # M-1999-120. The applicant would like to extend the decision date for the above-named permit application from its current decision date of August 15, 2025 to a new decision date of September 19, 2025.

This extension will give additional time for the Division to review the applicant's adequacy responses, and also to finalize bond calculations. If more time is needed, we will file another extension request prior to the new revised decision date of September 19, 2025.

If you have any questions regarding this decision date extension request, feel free to reach out to Steve O'Brian or me at the emails and telephone numbers listed below. Thank you.

Sincerely,

Lynn Mayer Shults
