

# Mined Area - 2022-2023

**Notes:**

All feature locations, approximate.  
 All access roads, 20 ft wide.  
 Strip mine gravel operation. Excess overburden and mine waste from the Hogue River Pit will be used for backfill in order to achieve approximate original contour.  
 Mining area will have a ten foot setback from the permit boundary  
 Fences owned by HRLP

Note: The existing Bettger and amended Pre-Mining and Mine Plan Maps are incorporated by reference. This Exhibit C showing all features is included to clarify and to help explain the expansion area.
