Leigh, Amy,

Thank you both for taking my call. It was great to make contact with you both. Looking forward to meeting you both in the near future.

As per our phone discussion today, I would like to formally request a 30 day extension on replying to the list of questions as per the letter dated June 16, 2025 "Re: Clay County Mine, File No. P-2025-010, Notice of Intent to Conduct Prospecting Operations for Hard Rock/Metal Mines, Notice of Intent".

The purpose of the request for an extension is to allow BioMilling, LLC additional time to finalize the replies to the list of questions contained in the letter as discussed.

Regards,

Stephen Humphray
