Good afternoon, Joel.

We would like to request the decision date for this permit to be extended to September 26, 2025. If you need any additional documentation from me, please let me know and I will get it to you.

Thank you, I hope you have a nice afternoon.

Hi Garrett,

Thanks for getting this request sent. I can approve the decision deadline to September 26, however, I will be out of the country on my honeymoon from September 22 to October 6. Since I have a team assisting in the review too, we will need, at a bare minimum, 2 weeks to coordinate review of the response from the decision date. With all that in mind, an extended date of mid or late October might be better and I'm more than happy to extend it until then.

Just let me know if you all would like to extend the date to a later day. If not, I absolutely can approve the date to September 26. No matter what, I will have an extension approved by the end of the day.

Best,

Joel

Thank you, Joel.

I appreciate you mentioning your schedule again. We knew it was coming up, but I couldn't recall the exact dates.

Let's keep it at September 26th for now and if more time is warranted we will certainly extend it further.

I hope you have a great day,

Garrett Varra
