I'll update the address in our system.

When you re-submit the application, please also update the contact address on the form.

Thanks,
Leigh

Leigh,

Please send the letter to the address below so that I personally receive correspondence from the DRMS in the future.

269 West Drive
Golden, CO, 80403

I did receive an email copy from Franklin Levy.

The address you have is incorrect - it should have been 422 Gregory Street - a typo error on the original application as the 322 Gregory Street address has been used on previous occasions in the past and had been corrected to 422 Gregory Street.

The 422 Gregory St address has no physical letter box and mail sent to this address is placed in the PO Box for collection.

I do not have access to this PO Box, and I rely on another person to pass on the mail from this box so my personal address is the best one to use.

Regards,
Steve

Stephen,

The hard copy of the Notice of Deficiencies that was sent back in June was just returned to us.
The sticker says "Unable to forward"

The address on the envelope is:

Stephen Humphray
GS Mining Company, LLC
322 Gregory Street
PO Box 1614
Central City, CO 80422

Is there an error with the address?
