RE: 120th Estate Partners, Permit No. M-2001-085, Approval of Extension to Address Compliance Issues

Dear Mr. Schultejaan:

On August 20, 2025, the Division of Reclamation, Mining and Safety (Division) received your request to extend the deadline for the abatement of the compliance issues noted during the June 25, 2025, inspection. In response to your request, the Division has extended the due date for submitting evidence of compliance from August 18, 2025, to **September 19, 2025**. The extension provides additional time to address site maintenance and conduct weed control at the mine.

If you have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 720-527-1640 or by email at nikie.gagnon@state.co.us.

Sincerely,

Nikie Gagnon
Environmental Protection Specialist
