Elliott,
attached is my letter for Affidavit of Publication to the Forrest Service Office staff.
when we spoke earlier this morning we ran through the timing of our application with DRMS review.
unfortunately due to the attached signature requirement RAMS will need an extension for our final review.
with what I understand the 10 day will begin with the FS signature tomorrow meaning the closure for their public
comment will now be Aug 18, 2025. due to this misunderstanding we request a close date of August 30th, 2025.
Please give me a call if possible when you have a moment to discuss this.

Thank you in advance,
sincerely,

Robert Baldwin RAMS Reclamation Manager

Hey Bob,

It is actually the Pike Peak Courier but perhaps that is the same paper, just a different name...I am not sure.

I called this number: Legals at 719-476-4832 and they said the Courier publishes on Wednesdays and the cutoff is prior Thursday at noon. They said you can send the notice to legals@gazette.com then they will send you a proof and info on paying. Once paid and if before noon on Thursday the 24th, it will get published next Wednesday the 30th.

I have taken a look at the doc you sent and added some suggested edits. If it get published on the 30th, then the close of public comment would be Saturday August 9th, so roll this forward to Monday August 11, 2025.
