Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Importation of clean inert material for backfill
Short description

Narrative Description of Revision * (?)

Use material dumped on site before mining and materials (cuttings and hydrovac soil) imported to mine as backfill for final grade and reclamation. All materials are clean, inert, and inspected at the point of origin and before final placement. Material to be compacted without voids.
Detailed description used for notifications
