RE: E. 8th Street Operation, Permit No. M-2000-082, Approval of 2nd Extension to Complete Corrective Actions – Weed Control and Reseeding Plan

Dear Mr. McFarland:

On September 2, 2025, the Division of Reclamation, Mining and Safety (Division) received your request to extend the corrective action date for the problem cited in the July 9, 2025, inspection report. Per your request, the Division will extend the deadline a second time, from September 8 to **October 8, 2025**, to allow additional time to develop a weed control and reseedling plan and submit it as a Technical Revision to the approved reclamation plan.

If you have any questions, you may contact me by telephone at 720-527-1640, or by email at nikie.gagnon@state.co.us.

Sincerely,

Nikie Gagnon
