Hi Nikie,

Regarding the Windsor (La Poudre site M-2000-144) inspection issue regarding weeds from a few years ago. Not sure what it looked like then, but it looks very good now.

The pictures below show efforts made and current situation.

Below - east side of Pond 4 looking south

Below – south side of Pond 4 looking east

Below – dead weeds sprayed recently, north side of Pond 3 looking east

Below – brush pile south of Pond 3

Below – healthy area south side of Pond 3

Below – individual Russian Olive mixed in with Willows and Cottonwood, south side of Pond 2 looking north
