Re: Mask Ranch Pit #2, Permit No. M-2018-015 Technical Revision (TR-2) – Preliminary Adequacy Review Response

Dear Mr. Girardi,

Thank you for your review of the Technical Revision (TR-2) application submitted on August 19, 2025, for the Mask Ranch Pit #2, Permit No. M-2018-015.

In response to the item identified in the Preliminary Adequacy Review dated August 27, 2025, we hereby commit to submitting annual reporting of the results of the Integrated Weed Control and Management Plan. These reports will be provided to the Division on an annual basis at the anniversary annual reporting and will include documentation of weed control activities, monitoring results, and any adaptive management measures implemented.

We appreciate the Division's guidance and remain committed to maintaining compliance with all permit requirements. Should you require any additional information or clarification, please do not hesitate to contact us.

Thank you,

Sara Weimer
