**Re: Buffalo Stone Quarry, File No. M-2007-050, Surety Increase No. 1 Past Due, Extension Request**

Dear Mr. Yocam,

On September 7, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received an extension request to the deadline to submit the required financial warranty as part of the surety increase no. 1 revision (SI1) that the Division sent on May 5, 2025.

You have requested to extend the currently set September 1, 2025 deadline date to October 1, 2025 to allow time for your bank to send the physical copies of the Letter of Credit to the Division.

The Division **approves** your extension request. The new deadline for this item has been set for **October 1, 2025**. The Operator shall provide the required financial agreements by the deadline. If the Division does not receive and accept the replacement or amended financial warranty required by SI1 by the deadline, the matter will be heard before the Mined Land Reclamation Board (Board) at the October 15-16, 2025 hearing.

If you have any questions, please send me an email at [amber.gibson@state.co.us](mailto:amber.gibson@state.co.us), or call me at 720-836-0967.
