RE: Orlando Pit, File No. # M-2001-106, Corrective Action Date Extension Request Approval

Dear Mr. Hribar,

On September 16, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received a request to extend the deadline for corrective actions at the Orlando Pit (permit no. M-2001-106) by 60 days. The Division had cited a couple inspection problems in the inspection report from June 11, 2025, with an original deadline of September 15, 2025, for them to be corrected.

The Division **approves** the extension request. The new decision date for the application is set for **November 14, 2025**.

If you have any questions, please send me an email at amber.gibson@state.co.us, or call me at 720-836-0967.

Sincerely,
