Hunter,

I was going to send an official response letter, but thought it best to simply respond via email. A few things to note on your letter:

- 1.) 6503101007, 6503101008 = Harrison School District, 6503103003 = Inland Trucks Parts Co., 6502300002 = First United Pentecostal Church, 6502300004 = James A Lewis, 6502000138 = Security Water District.
- 2.) Your request to obtain signed affidavits from Transit Mix Concrete Co., and Continental Materials Corporation will not be possible considering both companies are defunct and/or were absorbed into the Aggregate Industries name after acquisition of said properties. I think it would be best to speak with Patrick Lennberg concerning this task because he is currently running it up the chain at DRMS with another site (Irwin Thomas).
- 3.) The original Affidavit of Authority for the bond rider was signed by Kevin Peart (corporate officer). Travis Smith signed the performance warranty and application documents after speaking with Sara Stephenson-Benn and Patrick Lennberg. Sara has possession of the original copies.

Please let me know if you have any additional questions.

Thank you,

Wyatt Webster
