Sorry Nikie,

I will get this done. I also have another question, is it possible to get any more time to clean up the trash and stuff at the site? I've been super busy with work and haven't had a lot of time to finish this, but also, my sister passed away Tuesday, and I just won't be able to get it there this weekend to haul a few more loads of trash and stuff out. Let me know if you think this is possible.

I do plan to get the site cleaned up and on track to being reclaimed right away. I also have someone that I'm going to have disc the weeds down and seed with winter wheat. I'm also working to get some topsoil in to cover the bad areas.

Thanks

Thanks Nikie,

I'll check and see why this hasn't been taken care of and make sure we get on it right away.

Thanks!
