To: Jocelyn Carter, Division of Reclamation, Mining, and Safety.

This letter is in regards to our inspection report for M-1981-080, dated August 1, 2025.

We are requesting an extension of time to correct the actions cited in that report due to our consultant, Kenneth Kclo from Azurite, Inc. having recent surgery. I will reach out to him this week and see where he is at with his recovery.

Let me know if an extension of time is possible in this situation.

Thank you,

Nathan Tezak

Hi Jocelyn,

I will write a new letter requesting an extension today or tonight, I heard back from Ken and it sounds like he's thinking he'd like 30 days with everything going on but I'll know more today.

Thanks,

Nathan
