Dear Jocelyn,

RE: Baculite Mesa, LLC - Baculite Mesa Pit  
M.L.R.B. Permit # M-1997-011

On behalf of our client Baculite Mesa LLC, I am requesting an extension for filing the Corrective Action Technical Revision noted in the June 8, 2025 inspection report that is due Wednesday, October 29, 2025 to Wednesday, December 3, 2025. The surveyor is having some technical difficulties completing the aerial survey mapping and will not have that ready this week. I will need a little time after we have the maps to finish the TR and can get it submitted.

Thank you for your help and if you have any questions please call me at (303) 423-7297.

Sincerely,  
Environment, Inc.
