

PROFESSIONAL ENGINEER'S CERTIFICATION

I, Tonia Marie Perkins, a registered Professional Engineer in the State of Colorado, certify that this map has been prepared by me and to the best of my knowledge and information.

Tonia Marie Perkins, CO PE No. 43864

Date: _____

This map represents an approximation of post mining topography given the current knowledge mining limits, and striping methods. Variations from the contours shown may occur, but, in any event, the post mining configuration will be as well as the topographical information, and will be suitable for the designated post mining and use.
