Hello Amy,

Attached are the abatement photos for the cited problem for the Surface Rock (Unawweep Quarry).

One photo from roadway looking up to the entrance, and one close up.

Thanks,

Jon

Attached is the inspection report for Surface Rock. I also went ahead and updated the bond calc. It did go up a fair amount even though I only make subtle changes. Attached is the proposed increase. Let me know if there are any issues. If not I'll issue as is.
