RE: RBK Pit No. 30, Permit No. M-1990-106; Corrective Action, Revegetation, Abatement Notice

Dear Mr. Kirkland,

On October 30, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received the corrective action for a problem cited in the September 4, 2025, inspection report. Proof of the weed management plan being implemented was to be provided to the Division.

The Division considers the problem regarding the presence of tamarisk abated.

If you have any question, please contact me by email at Jocelyn.carter@state.co.us or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter
Environmental Protection Specialist
