**RE: King Coal Mine, Permit No. C-1981-035
2nd Quarter 2025 Subsidence Monitoring Report**

Dear Mr. Dickson,

The Division of Reclamation, Mining and Safety (the Division) has reviewed the Subsidence Monitoring Report for the 2nd quarter of 2025. The report was received by the Division on July 28, 2025. The Division finds the report in compliance with the following Rule:

2.05.6(6) – The report indicated that no subsidence cracks or indications of differential settlement were observed on the Crawford Ranch or the Huntington Ranch properties during the 2nd quarter. No other indications of damage were indicated in the report.

This concludes the Division's review of the 2nd Quarter 2025 Subsidence Monitoring Report for the King Coal Mine. If you have any questions, please contact me at (720)-762-6156 or clayton.wein@state.co.us.

Sincerely,

Clayton Wein
