Tezak Stone & Aggregate Supply, Inc.
Technical Revision (TR-3)
Update mining and reclamation plans and maps to account for new structures, two road sections not previously described, and topsoil stockpile locations.

Dear Mike A. Tezak:

On December 18, 2025 the Division of Reclamation, Mining and Safety concluded its review of the Technical Revision application submitted to the Division on November 20, 2025, addressing the following:

Insufficient financial warranty to include concrete slabs and to address private secondary roads east of CR 37 and updated map showing topsoil stockpiles have not moved.

The decision reached by the Division is: approve.

The terms of Technical Revision No. 3 approved by the Division are hereby incorporated into Permit No. M-1981-080. All other conditions and requirements of Permit No. M-1981-080 remain in full force and effect.
