Good Afternoon, Rob.

After looking into a SO, which would entail a massive workload under a time frame, we found a way where we could register "Benson Brothers" under the Colorado Secretary of State, not affecting our Employer Identification Number. See the attached showing Benson Brothers is registered as of now. I would like to ask for an extension to January 5<sup>th</sup> for the signs. We are getting new signs made, and as soon as we receive them, I will send you photos once they are installed. I met today with Tim from Delta County to work on our boundaries and survey for the new amendment. Hope you have a wonderful weekend.

Thanks,

Hans Benson

Thank you, Hans.

I will extend the date for the sign to January 5, 2026.

Regarding the issue with the registration, the Division considers this corrective action resolved.

Have a great weekend yourself.

Rob

Hi, Hans -

How are things going with the sign? If you cannot get it done this week, no problem, but I would like you to ask for another extension, say to February 5, 2026. I know that is much more time than you likely need, but we tend to make extensions for 30 days (or 60 or 90 days) rather than just a week or two.

If you ask for the extension, please start a new email chain.

Thanks,

Rob
