Dear Mr. Langenfeld,

The requested revisions are for changes to mine phasing, reclamation plans and removal of acreage from proposed disturbance. Per Rule 1.9.1 a technical revision has a thirty (30) day review period. Therefore, the decision date for TR-04 is set for May 6, 2010.

DRMS staff will be in contact with Lewicki and United regarding an onsite visit. Technical aspects of the review should be forthcoming shortly as well.
