Re: Burton Pit Permit M-1987-013, APPLICATION FOR CONVERSION (CN-1)
Reply for completeness Exhibit "Q" Rio Grande Conservation District Proof of Mailing

Dear Mr. Oswald:

We are in receipt of your completeness letter dated April 9, 2012; as you stated the Exhibit "Q" Proof of mailing for the Rio Grande Conservation District was inadvertently not enclosed in the application due to my error. I have corrected the application by inserting the correct proof of mailing in the application file at the Rio Grande County Clerk and Recorder office. The Exhibit "R" signed and dated by the County Clerk Receipt is enclosed with this letter.

Please let me know if you need any other documents for completeness. I will need to know as soon as possible when you consider the application is complete in order to get the legal notice published with in the ten (10) day time limit set by the Division of Reclamation, Mining and Safety. The Del Norte paper publishes only one time per week. I need to have my legal notice copy in the newspaper office by 5:00 P.M. the Thursday the week before to get it published the following week. Thanks in advance for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Joe Gagliano".
