RE: Reason to Believe a Violation Exists at T Bone Stone Quarry; DRMS File No. M-2004-030

Dear Mr. Tenore,

On April 25, 2012, the Division of Reclamation, Mining and Safety (Division) conducted an inspection of the T Bone Stone Quarry and found the following:

The Operator has disturbed approximately 0.71 acres outside of the permit boundary.

Based on the findings of the inspection we believe that this is a violation of:

- C.R.S. 34-32.5-116(4)(i) for **failure to protect areas outside of the affected land from slides or damage occurring during the mining operation and reclamation.**

Therefore, we have reason to believe that a violation exists to DRMS File Number M-2004-030 and to the Law, and have scheduled this matter to appear before the Mined Land Reclamation Board.

A Formal Public Hearing will be held during the June 13th and 14th, 2012 Board Meeting for consideration of a possible violation. The hearing will be held in Room 318 of 1313 Sherman Street, Denver, Colorado, beginning at 9:00 a.m. on June 13th or as soon thereafter as the matter can be considered. At that hearing you will have the opportunity to be represented and heard. It will be reiterated that there is reason to believe that you are in violation of the provisions noted above.

If the Board finds a violation at this hearing, it may issue a Cease and Desist Order and/or assess a Civil Penalty in the amount of \$ 100.00 to \$1,000.00 for each day of violation. If you have evidence indicating that the possible violations noted above do not exist or have been corrected, please provide it to us as soon as possible or bring it to the hearing.

Mr. Tenore
