RE: Reclamation work

Jim,

I have not heard back from you concerning my letter dated May 1st. As I stated in that letter DRMS is holding Whitewater responsible for all actions and activities on your property until a release can be obtained. I understand your desire to utilize your property but DRMS is not excepting your notarized letters taking responsibility for your actions on your property.

I would appreciate a response so I can forward it to Travis with DRMS. Whitewater would like to clarify your willingness to work with us on completing reclamation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mark Gardner".
