Tim,

BLM sent CDRMS a letter dated April 26, 2012, regarding the potential for public lands being located within the newly proposed permit area for CC&V.

After coordinating with Jerry Bateman of Anglo Ashanti Gold and extensive consultation with BLM's cadastral surveyors and realty staff, it has been determined that there are NO federal interests located within the proposed permit expansion area.

I have notified Jerry Bateman of this as well.

Please let me know if you need me to submit this on letterhead.

Thanks,
