Re: Bond Reduction Request
Permit #M-1992-102, South D-20 Pit,

Dear Mr. Nagy and Mr. Means:

Western Gravel, Inc is in receipt of the report dated June 4, 2012 by G. Russell Means of the DRMS assessing our progress for the above permit.

Western Gravel, Inc. adopts Mr. Means calculation of \$37,900.00 to complete the remaining reclamation. Accordingly, Western Gravel, Inc. requests reduction of the bond to \$37,900.00. We have asked Washington International Insurance Company to write the bond immediately and we will see to payment of the costs.

Thank you for considering the reduction request. Please contact me at 970-249-2431, if you have any questions.

Sincerely,

Judy DeVincentis
CEO
