RE:

EXTENSION OF DECISION DATE
Burton Pit, Permit M-1987 013, Conversion (CN-1)

Dear Mr. Oswald:

This letter is to ask for an Extension of the decision date for file number M-1987-013

to facilitate the timing issues that I have encountered which has delayed my preparation of the adequacy review reply. I am waiting for the return of the Structures agreements from the owners of the "*SCHUCH & SCHMIDT DITCH*". This ditch is with in the 200 feet zone of the permit boundary. I would like to respectfully ask for a 15 day, which will make the Division's decision date July 31, 2012. I am hoping to have the notarized agreements back before then, however some additional time would be helpful

I can be reached at the address above or by e-mail at jpg@incasys.com or phone at (719) 240-9424.

Sincerely,

Joe Gagliano
Consultant
