RE: 120th Estates Partners, Permit #M-2001-085, Inadequate Financial Warranty

Dear Mr. Keffelew:

We are in receipt of the above referenced letter which because of the USPS and the July 4th holiday was received well after the Jun2 25th date on the letter.

As mentioned verbally to you, we are in the process of selling this property and the new buyer wants to convert it to an inert land fill.

With that in mind, the purpose of this letter is to advise the Division that we wish to formally withdraw Amendment # 4 from this permit facility.

We would also request – due to this transition – an extra 30 days – until September 30, 2012 to submit the new amendment.

As always, thank you for your help and consideration.

I look forward to hearing back from you as to this 30 day extension request.

Thank you,

James L. Newman
Manager
