Re: Permit No. M-1984-014, JD-8 Mine; Comments to Response Letter from Cotter Relating to the Drainage Design Plan, dated June 2012.

The Division of Reclamation, Mining and Safety (DRMS) engineering staff has reviewed the subject response letter and the Drainage Design Plan submitted with it. The Applicant responses to my Comments 1, 2, 4, 5, and 6 are adequate. However, the resubmitted Figure 3 appears unchanged.

3. Figure 3: Page 13 refers to Areas 1 and 4 on Figure 3. Neither Area 1 nor Area 4 appears to be delineated or labeled on Figure 3. Please delineate and label in a manner consistent with the text.

If either you or the applicants have any questions, please call me at (303) 866-3567, extension 8169.
