***RE: River Valley Resource, Permit No. M-2001-090, AM2 Decision Date Extended***

Dear Mr. MacArthur:

As you know, the decision date for your application was originally set for August 9, 2012. Because errors were noted in the original public notice, republication of the notice was necessary. In order to allow time for the required public notice to be accomplished, the decision date for your application has been extended by the Division in accordance with Rule 1.4.1 (13). The decision due date for your application has been set for August 31, 2012.

Please note that pursuant to Rule 1.6.5 (2), within ten working days after the last publication or as soon thereafter as proof has been obtained, proof of the publication shall be mailed to the Division.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

A blue ink signature of Dustin Czupla, written in a cursive style.
