Dear Party and/or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates all parties taking time to participate in the review process of the above referenced application. The submittal of Mine Life Extension 2 (MLE2) amendment was filed with the Division on March 5, 2012, by Cripple Creek & Victor Gold (Applicant).

An explanation of the Division's review process, your rights as either a party or a non-party, and the jurisdiction of the Mined Land Reclamation Board (Board), is provided in the enclosed 12-page memo, Guide to Citizen Participation. As noted in the citizen's guide memo, in these proceedings the Division's authority is limited to enforcement of the Colorado Mined Land Reclamation Act, 34-32-101 et seq., C.R.S. (Act), and the Mineral Rules and regulations of the Colorado Mined Land Reclamation Board for Hard Rock, Metal and Designated Mining Operations (Rules), which can be accessed on the Division's website, www.mining.state.co.us.

Upon publication of the public notices for this amendment, the Division received timely letters of objection. Copies of these letters were forwarded to the operator. Receipt of timely objections triggers the requirement for the Division to schedule a Pre-hearing Conference. **Pursuant to Rule 2.7.1, the Division has scheduled a Pre-hearing Conference to occur on August 24, 2012,** located at the City of Victor Council Chambers, 500 Victor Ave., Victor, Colorado, beginning at 1:00 p.m. and concluding at or before 3:00 p.m. Ms. Sandra Brown will preside as the Pre-hearing Conference Officer.

The MLE2 amendment application will be considered by the Board during a Formal Public Hearing scheduled for September 12-13, 2012. The Board meeting will be held at the Centennial Building, 1313 Sherman Street, Room 318, Denver, Colorado, 80203, commencing at 9:00 a.m. on September 12, 2012 or as soon thereafter as the matter can be considered.

The Pre-hearing Conference will be held to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board Hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties. **All parties must supply fifteen (15) copies of lists of any exhibits and witnesses the parties intend to present at the Formal Board Hearing. List and exhibits must be exchanged between the parties at the Pre-hearing Conference in accordance with the requirements of Rule 2.6(2). Failure to participate in the Pre-hearing Conference will result in the loss of your party status.**

After the conference the Pre-hearing Officer shall prepare a proposed Pre-hearing Order. The proposed Pre-hearing Order will be made available to all parties prior to the Formal Board Hearing. The proposed Pre-hearing Order will contain a list of the parties, provide a recommended list of issues to be considered by the Board, and outline a schedule for the hearing with time allotments set for presentations by each party and the Office. The conditions of the Pre-hearing Order are not final until adopted or approved by the Board at the Formal Board Hearing. Any party has the right to file a motion to the Board to review any decision of the Pre-hearing Officer according to the provisions of Rule 2.6(1).

The Division's deadline for issuing a recommendation on the EPP is scheduled for August 20, 2012. On or before August 20, 2012, the Division will issue its recommendation to the Board for approval, approval with conditions, or denial of the application. Copy of the Division's recommendation will be forwarded to all parties and interested persons by no later than August 20th, 2012.

If you need additional information please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, Colorado 80203, by telephone at (303) 866-3567, ext 8169, or by e-mail at tim.cazier@state.co.us.
