RE: NWA - WAND pit

RECEIVED
AUG 29 2012
GRAND JUNCTION FIELD OFFICE
DIVISION OF
RECLAMATION MINING & SAFETY

Dustin, in response to your letter and concerns dated 7-2-2012.

- 1) Phase IV will be removed from the application permit and no longer considered for mining purposes.
- 2) & 3) With phase IV being removed from the pit application the only part that lies adjacent to the Yampa River will be in relation to the original 110 permit and is addressed in the letter and cross section drawings from Bob Baker dated 3-29-2010.
- 4) A Division of Water Resources approved permit will be obtained before any ground water will be exposed.
- 5) No fuel or oil will be stored on site.
- 6) In response to the letter from the Colorado Parks and Wildlife dated 8-3-2012: NW Aggregates has maintained the berm and stabilization of the bank of the Yampa River as engineered by Bob Baker P.E. No.10755 and approved by the DRMS and will continue to do so and also has seeded and graded berms in the mined out areas and will continue to do so immediately following the completion of mining.
- 7) We would like request to calculate the bond for phase I and phase II at this time and calculate the bond for phase III and V in the future for mining.

Sincerely,

Steve Baker
permit consultant

PUBLIC NOTICE

Northwest Aggregates, Inc.; 2830 E. Highway 40 Suite 4, Craig, Colorado 81625, whose telephone number is 870-824-6282, has filed an application for a Regular (112) Construction Materials Operation Reclamation Permit with the Colorado Mined Land Reclamation Board under provisions of the Colorado Land Reclamation Act for the Extraction of Construction Materials. The proposed mine is known as the Wind Pit, and is located at or near Section 4, Township 8N, Range 90W, 6th Prime Meridian.

The proposed date of commencement is September 2012, and the proposed date of completion is December 2035. The proposed future use of the land is Range. Additional information and tentative decision date may be obtained from the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, Colorado 80203, (303) 866-3567, or at the Moffat County Clerk and Recorder's office: 210 West Victory Way, Craig, Colorado 81625, or the above named applicant.

Comments must be in writing and must be received by the Division of Reclamation, Mining and Safety by 4:00pm on July 29, 2012.

Please note: Under the provisions of C.R.S. 34-32.5-101 et seq. Comments related to noise, truck traffic, hours of operation, visual impacts, effects on property values and other social or economic concerns are issues not subject to this Office's jurisdiction. These subjects, and similar ones, are typically addressed by your local governments, rather than the Division of Reclamation, Mining and Safety or the Mined Land Reclamation Board.
