Dear Mr. Leidich,

On September 5, 2012, the Division approved the financial warranty release requests for the above-named prospects. Your sites are all on Bureau of Land Management lands, and we have received written notification from the agency that satisfactory reclamation has been completed at all sites. As such, there is no need for an inspection to be performed by the Division. You are now released from further liability for these sites.

You submitted One Site Cash Bonds for each separate prospecting NOI. The Division's Denver Office will return the bonds to you under separate cover.

The Division wishes to thank you for successfully completing the reclamation. If you have any questions, I may be reached at the Division's Durango Field Office: 691 CR 233, Room A-2, Durango, CO 81301; telephone 970-247-5193.

Sincerely,
