RE: Termination of an NOI File, RAD Exploration Project, NOI No. P-2012-005.

Dear Mr. Cozby:

On April 30, 2012, the Division informed Compass Exploration, Inc. of an outstanding deficiency issue for the RAD Exploration Project, and imposed a 60-day deadline to resolve the deficiency issue, due June 29, 2012. The deficiency issue required Compass Exploration to submit \$7,856 financial warranty for the proposed activities.

The Division has not received the required financial warranty and the 60-day deadline, provided by Rule 5.1.3(c), for correction of the deficiency in the financial warranty, has passed. Therefore, pursuant to Rule 5.1.3(c), the Division has terminated the NOI file for the RAD Exploration Project, File No. P-2012-005.

Please contact me at the Division's office in Durango at 691 County Road 233, Suite A-2, Durango, CO 81301, phone (970) 247-5469, if you have any questions.

Sincerely,

Wallace H. Erickson
Environmental Protection Specialist
