Re: WRC Gravel Pit, Permit No. M-2008-070, Receipt of 112 Construction Materials Reclamation Permit Amendment Application Package, AM – 1, Second Notice of Incomplete application.

Mr. Weber:

On September 6, 2012, the Division of Reclamation, Mining and Safety (DRMS) received the additional materials requested by the DRMS for your 112 Construction Materials Reclamation Permit Amendment Application package for the WRC Gravel Pit, Permit No. M-2008-070. Review of the information received determined that the following items must be received before the Division can consider your application as being submitted and technical review can begin:

EXHIBIT Q - Proof of Mailing of Notices to County Commissioners and Soil Conservation District (Rule 6.4.17): Please submit proof of actual delivery or proof of mailing by Certified Mail, return receipt requested, of Notice of the Application to the local Board of County Commissioners and, if the mining operation is within the boundaries of a Soil Conservation District, to the Board of Supervisors of the Soil Conservation District. **The proof of delivery must be of the current application. The proof submitted is from 2011.**

EXHIBIT R - Proof of Filing with County Clerk and Recorder (Rule 6.4.18): You must submit an affidavit or receipt indicating the date on which the application was placed with the local County Clerk and Recorder. **The proof of delivery must be of the current application. The proof submitted is from 2011.**

Your application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you when you should initiate republication of your notice. The final date for receiving comments is the 20th day after the fourth publication or the next regular business day.

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been

determined to be filed with the Office, the Office shall deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

Sincerely,

A handwritten signature in black ink, appearing to read "Travis H. Marshall", with a stylized flourish at the end.

Travis H. Marshall
Environmental Protection Specialist
