Dear Mr. Siglin:

On October 2, 2012 the Division of Reclamation, Mining and Safety approved the modification application submitted to the Division on July 18, 2012, addressing the following:

Increase prospect area and borehole size

The terms of the Modification No. 02 approved by the Division are hereby incorporated into NOI No. P-2009-025.

The revised estimated liability amount of \$154,936.00 exceeds the \$92,132.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of \$62,804.00. The revision will not be final until the bond is approved by the Division. Please see the enclosed cost summary sheet for the additional bond details related to the NOI modification.
