Subject: Notice of Concern for DOE Uranium Lease Tracts C-JD-5 and C-SR-13

Reference: CDRMS Letter Dated October 9, 2012—Notice of Incomplete Environmental Protection Plan (EPP) Submittal

Dear Mr. Coram:

The U.S. Department of Energy (DOE) has received a copy of the referenced letter sent to you by the Colorado Division of Reclamation, Mining and Safety (CDRMS) concerning your state permits for mining operations located on DOE Lease Tracts C-JD-5 and C-SR-13.

Please be advised that failure to comply with CDRMS' requirements (submit the required information, as specified in the letter) could place you in violation of Article XI of your Lease Agreements for the two respective lease tracts. DOE admonishes you to give this issue your immediate attention so that it can be resolved to everyone's satisfaction.

Please contact me at (720) 880-4338, or Mr. Ed Cotter of my contractor staff at (970) 248-6056, if you have questions concerning this matter. Please send any correspondence to:
