RE: Martin Mesa, NOI # P-2008-058, Drill Hole Permanent Abandonment Report(s) Required

Dear Mr. Giddens:

On December 6, 2012, the Division of Reclamation, Mining and Safety (Division) received your surety release request for the above referenced NOI. Prior to consideration of a surety release request, the Division must receive the required *Mineral Prospecting Drill Hole Permanent Abandonment Final Report(s)* for each drill hole as requested in the Division's June, 2010 inspection report. The report forms can be found at the following link:

<http://mining.state.co.us/ProspForms/MineralPropectingDrillHolePermAbandFinRpt.pdf>

Please submit the reports as soon as possible so that the Division may process your surety release request.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

A blue ink signature of Dustin Ezapla, written in a cursive style, extending across the line.
